

A Lasting Tribute

The tribute wall at Woods Humane Society provides a way to honor the animal lover in your life or to commemorate all of the years of companionship given by a loyal pet. You can honor your own pet or the pet of someone you care about.

With your gift of \$1,000 or more, a customized plaque will be placed permanently on our memorial wall and you will have provided the resources needed to provide total care for one animal at Woods, from intake to adoption. Your tribute gift will make a profound difference in the life of a homeless cat or dog.
